CAREER EXPERIENCE

Learning Interventionist (5th, 6th, 7th, 8th Math)

(August 2021-PRESENT) Atascocita Middle School

- Use data to develop and deliver instruction to flexible groups using both small and large group interventions and extensions for all learners.
- Plan and facilitate personalized grade level data analysis conversations.
- Integrated personalized support and instruction based on the goals and identified needs of individual students.
- Model and implement techniques that include classroom management, teaching strategies, and assessment.
- Support classroom teachers and paraprofessionals with techniques to help structure classroom management.
- Active member on school committees focused on curriculum development, behavior development and modification, and RTI intervention.
- Participate in professional learning communities, data teams, and teacher collaboration meetings.

8th Grade Science Teacher

(August 2014-August 2021) Atascocita Middle School

- Developed innovative approaches that met district goals by including technology integration across the curriculum and experiential learning.
- Integrated personalized support and instruction based on the goals and identified needs of individual students.
- Consistently commended for ability to redirect students exhibiting behavior problems by replacing disruptive, unproductive patterns with positive behaviors.
- Served on school committees focused on curriculum development, behavior development and modification, and RtI intervention.
- Coordinated weekly team planning sessions to develop units of study with team

7th/ 8th Grade Science Teacher

(August 2010-June 2014) Humble Middle School

- 7th and 8th Grade Science Team Lead
- RtI interventionist that helped my team identify and support struggling students
- Maintain a safe and educational classroom environment by being caring, disciplined, and creative.
- Initiated and lead parent teacher conferences for my team.
- Coordinated with ESL aide to enhance learning strategies for ESL students; give input for ELL/ESL development.
- Utilized multiple forms of software and computer systems, such as Blackboard, Moodle, MOBI, and document viewers to provide quality instruction and multiple avenues for my students to access information and learn
